

# Care Champion AWARD

## GORDON LANE CARE CENTER

For a valued employee recognized for their service and creating exceptional care experiences with our guests and team members.

*Congratulations!*

Rudy goes out of his way both to his patients and team members. He never fails to make all his patients smile. He listens with open heart and mind which makes it easy for him to relate with them. Occasionally, he would bring coffee and donuts to staff (rehab and the facility )out of his good will to appreciate and brighten everyone's day. He is true team player and asset to our facility.
